

O's Notes: Extraordinary Guitarist Dario Chiazzolino has a warm mellow tone that he sprinkles across eight fusion tunes. The pace is relaxed with deliberate soothing melodies notably on "Awake". Taylor Eigsti adds cool piano solos on "Floating" and "There Is No Greater Love". Willie Jones III (d) and Marco Panascia (b) anchor the bottom of a tight quartet. Paint Your Life is a winner start to finish and Dario Chiazzolino is with no question one of the best guitarists of the today's scenery.
