Italian Jazz Star **Dario Chiazzolino** is one of the greatest guitarists of the last generation. He is internationally acclaimed thanks to his phenomenal playing and his innovative way to improvising. He

shows not only an unrivaled mastery and technique of the instrument, but also the capacity to give his performances a powerful emotive impact, even without an orchestra to sustain and accompany him. He drawn attention through his collaborations with jazz giants such as **Billy Cobham, Bob Mintzer, Yellow Jackets,**

Horacio Hernandez, but Chiazzolino has established himself in the world of jazz with a style and musicality recognized also on the other side of the Atlantic.
